

Introduction to CUDA Parallel Programming Homework Assignment 8
Due 2020/05/19

1. Proposal for the term project

Write a proposal (1-5 pages) for your term project. The proposal should outline the motivation of your project, the algorithm and its implementation with CUDA, expected results, and references. Please send your proposal for the term project from your NTU email account to twchiu@phys.ntu.edu.tw before 24:00 of May 19. Note that your term project report will be due June 23, 24:00.
